On February 24, 1989, AmeriCall Systems of Louisville and Telcor, Inc. d/b/a TMC of Louisville and Telamarketing Communications of Evansville, Inc. filed a motion for an extension of time.

In support of their motions, movants have noted that certain parties are discussing issues addressed in this proceeding and may reach agreement on several key items.

The Commission, having considered the motions and being advised, finds that the motions should be granted to the extent that all parties of record should have until March 10, 1989 to file the requested information. The Commission is further of the opinion that the October 6, 1988 information requests associated with Phase I of this proceeding shall be answered by March 10, 1989 and, in addition, the Commission shall consider any agreement which certain parties may adopt. The extension of time necessitates a revised procedure schedule which is attached hereto.

BE IT SO ORDERED.
